

April 2018  

## Welcome to the April Edition of the Primary Sports Premium Newsletter

We hope that you had a great Easter and are looking forward to the final school term of 2018. As you may be aware, Wiltshire and Swindon Sport are currently conducting the phase 6 mapping exercise for DfE, reviewing school websites and the reporting of their use and spending of the Primary Sports Premium Grant.

As a final reminder, following the doubling of the funding for this academic year, the Department of Education require you to publish some additional information (in bold below) in addition to the usual requirements listed below.

- The amount of premium received
- A full breakdown of how it has been spent (or will be spent)
- What impact the school has seen on pupil's PE and sport participation
- What impact the school has seen on pupil's attainment
- How the improvements will be sustainable in the future
- How many pupils within their year 6 cohort can do each of the following:
  - \* **Swim Completely, confidently & proficiently over a distance of at least 25m**
  - \* **Use a range of strokes effectively**
  - \* **Perform safe self-rescue in different water based situations**

Please be advised, that if you intend to update your website with the required swimming data in July rather than April, please state this on your report / website.
