

Welcome to the June Edition of the Primary Sports Premium Newsletter

As you may be aware, Wiltshire and Swindon Sport conducted the Phase 6 mapping and insight exercise for the Primary Sports Premium in April. The results and findings have now been submitted to Sport England and the DfE for consideration.

Some key points were:

The good news

- **100%** schools reported on their use of the PE and School Sport Premium with **80%** showing a breakdown of the spending.
- **73%** schools demonstrated Impact on Participation.
- **93%** schools are investing in competition.
- Since 2016, there has been a **significant rise** from **15%** to **48%** in schools using their funding to demonstrate impact on healthy, active school initiatives.

The bad news

- **40%** of published reports were **not** up-to-date (**Not 2017/18**)
- **93%** schools did not mention impact on attainment.
- **Only 43%** of schools reported funding being used to upskill staff with CPD or professional PE qualifications.
- **64%** of schools did not report on the new swimming condition.

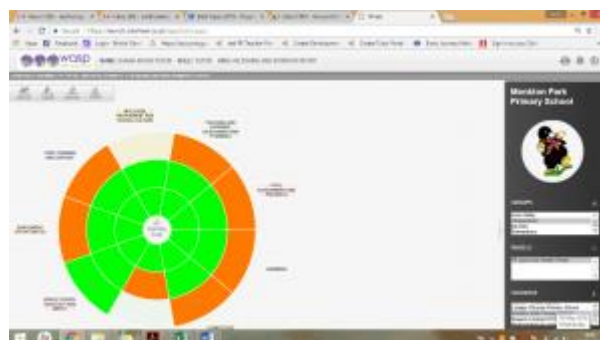

To assist your school in reporting on 'Impact on Attainment', Create Development have developed the PE, Sport & Health Wheel.

See below for further information...

Create Development PE, Sport and Health Wheel

Example of pupil progress in attainment, both physically and learning behaviours. This is taken from real PE Whole School Impact report, which is available to all schools who have real PE whole school, and can be easily personalised and uploaded to your school website as evidence.

real legacy is a whole school improvement package, over two years of continued training, support in school and professional courses. A whole school impact report for real legacy is also available.

To evidence Whole School Improvement/Culture of PE and Physical Activity, plus Impact on children's attainment we recommend the Create Development 'Health, Sport and PE and Sports Premium Wheel'.

The CD wheel is a tool which provides a visual profile for your schools PE and Sport Premium Spend, as well as the ability to evidence and target for the forthcoming year (to review and update at any time).

Primary Sports Premium Guidance Presentations for Schools and Governors

[Full details ..](#)

Wiltshire and Swindon Sport's Primary Premium Lead Officer Rik Grover can offer two separate PowerPoint presentations offering guidance and support on the primary sports premium.

The first presentation is designed for Head teachers, PLT's and school staff, whilst the second is intended for School Governors.

Both presentations are approximately 30 minutes in duration and give an overview of the local and national picture of the Primary Sports Premium, plus relevant information depending on the presentation audience. A guidebook accompanies the Governors presentation. These presentations are FREE of charge.

Please contact Rik if you would like him to come to your school to deliver the presentation, or if you require advise or support with any aspects of the PSP - Rik Grover on 01225 781500 or email rik@wiltssport.org.uk

British Cycling : Ready Set Ride

[Read more ...](#)

Riding a bike gives you a great sense of freedom – and we think every child in Britain should have the chance to learn. That's why we created HSBC UK Ready Set Ride, with free, quick and easy games to help you teach your child how to pedal – having lots of fun along the way.

Kids can start at any age and there is no pressure to start pedalling on your first go. In fact, you don't need a bike or any cycling knowledge to get started. Plus we have lots of helpful information about bikes, knowing when your child is ready to ride and how you can use household items to play any of the games in your own home.

To start your learn to ride journey together, simply click on [Activities](#) and explore over 20 free games.
