Evidencing the Impact of the Primary PE and Sport Premium 2018. 'Revised reporting template December 2017 issue' (Commissioned by the DfE)

'Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer'

The vision for the 'Primary PE and Sport Premium', is that ALL pupils leaving primary school are physically literate and provided with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Maintained schools, including those that convert to academies, **MUST** publish on their website by early April 2018, information about their use of the Primary PE and Sport Premium.

[The revised template is the recommended tool for reporting on this information.](#)

Schools should publish the amount of premium received; a full breakdown of how it has been spent (or will be spent); what impact the school has seen on pupils' PE and sport participation and attainment and how the improvements will be sustainable in the future. Schools should also consider how their use of the premium is giving pupils the opportunity to develop a healthy, active lifestyle. The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

The 'new' swimming condition is also included on the revised reporting template

PE and Sport Premium – CPD Training Opportunities Survey

We would like to work with our local schools, PE providers and National partners to help shape the CPD and support offer for 2018 and beyond.

We would like to understand what training and development opportunities you would like to receive to assist with expanding your PE offer in School.

Therefore, we would really appreciate your feedback by completing this very short survey, which only takes about 4 or 5 minutes to complete:

Primary Sports Premium Guidance Presentations for Schools and Governors

Wiltshire and Swindon Sport's Primary Premium Lead Officer Rik Grover, can offer two separate PowerPoint presentations offering guidance and support on the primary sports premium.

The first presentation is designed for Head teachers, PLT's and school staff, whilst the second is intended for school governors.

Both presentations are approximately 30 minutes in duration, and give an overview of the local and national picture of the Primary Sports Premium, plus relevant information depending on the presentation audience.

NB: A guidance booklet also accompanies the Governors presentation.

Please contact Rik if you would like him to come to your school to deliver the presentation, or if you require advise or support with any aspects of the PSP - Rik Grover on 01225 781500 or email rik@wiltssport.org.uk

Change4Life launches new 'two snacks max' resources

The new Change4Life teaching resources help pupils to identify healthier snack choices and interpret food labels to understand sugar content. Teachers can use these fun resources to run a pupil-led assembly and schools can even invite parents to show them what pupils have been learning about healthier snacks.

Teachers can download the new teaching resources from the [School Zone](http://SchoolZone) website.
