**Pink Panthers Rugby Club Success**

Rugby coach Claire MaCarron noticed a small number of girls waiting at Warminster Rugby club whilst their brothers and siblings played in games or took part in training. They either had to wait around during the session because of the logistics of transport or said that they felt intimidated about getting involved in same group as the boys.

Read our article to find out how Claire decided to do something about it and went on to build a thriving and successful girls & womens rugby club!
