INTRODUCTION

The School Games represents an opportunity to bring about a change in the way that school competitive opportunities are developed for young people and to create a lasting legacy of success. The Games aim to provide a multi-sport programme of events that reflects an Olympic/Paralympic experience for young athletes.

WELFARE

All sporting events for young people should take place within the broad context of the United Nations Convention on the Rights of the Child (1989) and relevant safeguarding guidance and legislation. Whilst most children and young people enjoy sport, some experience disruption, danger or injury and others bring with them the impact of issues at home or school.

This welfare plan is designed to minimise the risks to the children and young people taking part and to maximise their enjoyment and well being.

In order to achieve this everyone involved in the management and supervision of the School Games are required to read it carefully and to fulfil their respective responsibilities in order to ensure that all the procedures are followed in a consistent and co-ordinated manner.

It is recognised that all schools and national governing bodies of sport already have comprehensive policies and procedures in place to cover the welfare and duty of care requirements.

This Plan is intended to supplement, not replace or reproduce those policies; however where there could be a difference of response the Welfare Plan for the School Games will take precedence.
**PURPOSE OF THE WELFARE PLAN**

The purpose of the welfare plan is to promote and ensure the well-being of children and young people taking part in the School Games. The plan will also ensure that all those responsible for the welfare of children and young people:

- Understand their safeguarding role and responsibilities.
- Understand the procedures for responding to concerns about children’s welfare.
- Are able to act on these appropriately and effectively.

**VALUES AND PRINCIPLES**

This Welfare Plan is underpinned by the following values and principles:

- The welfare of the athletes and all young people is paramount.
- All competitors and young volunteers, whatever their age, gender, culture, language, racial origin, religious beliefs, sexual identity or disability, have equal rights to safety and protection against harm.
- All suspicions, concerns or allegations of harm arising from the event, within the sport or outside of the sport, will be taken seriously and responded to swiftly and appropriately.
**Roles and Responsibilities**

**Event Director - Alma Borthwick**
The Event Director is responsible for the overall smooth running of all Level 3 School Games events. Alma can be contacted at alma@wiltssport.org

**Welfare Manager - Steve Boocock**
The Welfare Manager is responsible for the provision of specialist expertise and support in safeguarding and protecting children and young people at the event. The Welfare Manager will offer support and advice in dealing with issues around safeguarding and child protection.

He will be responsible for taking concerns forward to either Children’s Social Care or the police. Steve can be contacted at steve@wiltssport.org

**Health and Safety Officer - Rik Grover**
The Health and Safety officer is responsible for ensuring all necessary Risk Assessments are in place. Rik can be contacted on rik@wiltssport.org

**Venue Manager**
The Managers will ensure that their venue is a safe and enjoyable environment for the athletes and everyone else involved with the School Games. They will also ensure that all staff on duty are fully briefed on Welfare issues relating to the Games.

**School Team Manager**
The Team Managers are appointed by each participating school and are responsible for the supervision of team members throughout the event. They should have parental consent, photography consent, medical details and emergency contact details for all participants.

School Team Managers will liaise with venue coordinators and report any concerns in line with both their own school safeguarding procedures and the School Games Welfare plan.

Schools must ensure they have sufficient staff to ensure continued supervision of their students should a member of staff have to deal with an issue that would take them off site e.g. accompanying a student to hospital.
**BEHAVIOUR AT THE SCHOOL GAMES**

**Smoking**
Smoking is not allowed at any of the School Games venues.

**Alcohol**
No alcohol will be available at any of the School Games venues. Team Managers must ensure that no member of their team possesses or consumes alcohol whilst at the School Games.

**Criminal/anti-social behaviour**
No type of criminal activity will be tolerated at the School Games. Appropriate action (i.e. referral to the Police) will be taken which could result in criminal charges being made against the offender if criminal activity is observed or suspected.

**EMERGENCY PROCEDURES**

All staff and athletes will be made aware of emergency procedures upon their arrival at School Games venues. In the event of a fire alarm activation at any School Games venue immediate evacuation is the mandatory response.

From the venue, everyone should make their way immediately to the nominated assembly point under the direction of the School Team Managers and Venue Managers.

From all venues the specific evacuation plan will be followed. All staff and volunteers will be briefed as to the relevant evacuation procedures and will have the responsibility of ensuring their team/competitors evacuate the building immediately the alarm activates (false or otherwise). At the assembly point each Team Manager, or their Venue Manager if the Team Manager is absent, will complete a roll call and inform the person in charge of the evacuation of any individual unaccounted for, together with their last known location.

**MEDICAL PROVISION**

There will be qualified first aiders located at each School Games venue. Where deemed necessary, Emergency First Response will be in attendance. In the event of a medical emergency the Venue Manager should ensure a School Games incident report is completed. In some of the venues there may also be a requirement to complete a further incident/accident report.

School Team Managers must ensure they have information about medical needs/allergies for all students and have sufficient medication where necessary. They must also have emergency contact details for parents/carers.

Please refer to the accident and incident forms at the back of this document.
TRANSPORT AND TRAVEL

Teams will travel from their schools to School Games venues and will arrive in plenty of time to allow for registration and de-brief before the competition begins.

Schools will make their own arrangements for the collection and transport of pupils at the end of the competitions. **Under no circumstances** should a young person be left unsupervised at a drop-off/collection point.

SOCIAL MEDIA

Wiltshire and Swindon Sport CIC (WASP) has embraced the opportunity to use social media to promote and advocate its work and the work of partner organisations. It has established Facebook, Twitter and You Tube accounts and programmes regular information feeds.

WASP actively encourages the community, including children and young people, to utilise its social media functions to access information and comment on its programmes and events. In recognition of this, WASP have produced a Safety Guide for using Social Media. The Guide will be posted on the WASP website (http://www.wiltssport.org.uk/schools/school-games) and referenced at events where WASP are the lead organisation, including School Games.

Settings are implemented (and will be reviewed regularly) on the following sites to try and promote the safest possible use:

**Facebook**
- [https://www.facebook.com/WASPSports?fref=ts](https://www.facebook.com/WASPSports?fref=ts) is a managed page
- Only people aged 13+ can become a fan of the page
- We allow visitors to the page to publish but only after we review their posts
- People can contact Page Privately
- Only people who manage the page can Tag photos posted on it
- Profanity Filter is set to strong

**Twitter**
- Using # on keywords on a tweet is a way for this tweet to then be added to the trending for this word i.e. a profile displaying all tweets this keyword in. This can help find relevant potential users to follow, is being used by the media to find news stories on certain topics, and can be used for specific tweets i.e. #coaching, #sportivate etc.
- Re-tweeting is where a user ‘retweets’ another users tweet, if they like it, or want to help promote the message. This re-tweet is then viewable to all those following WASP.
PHOTOGRAPHY AND MEDIA

Photography and Media Policy
As event organisers and facilitators, Wiltshire & Swindon Sport (WASP) intend to take photographs and videos at School Games events across Wiltshire and Swindon. We use these images to celebrate children’s achievements and promote our events via printed and online publicity, social media and press releases.

In accordance with General Data Protection Regulations (GDPR), we are unable to take any photographs or videos without written consent. Children aged 13 years and over are able to give this consent themselves, however children aged under 13 years will need the consent of an adult with parental responsibility.

Prior to the event
Please ensure that you have obtained parental consent for photographs to be taken of the participants. Any child who cannot be photographed will wear an orange wristband and be excluded from all photographs and videos taken by the event organisers (this will include team photographs a well).

At the School Games
- We will follow the relevant photography policy at each of the School Games venues
- All staff and volunteers must be vigilant at all times and report any concerns to a member of the event team or team manager.

The following will not be permitted:
- Unsupervised access to competitors or one to one photo sessions.
- Unsupervised photo sessions outside of the sports competitions.
- Photography in the changing rooms.

After the School Games
- Only official photographs of children/young people whose parents have given their consent to photographs of their child being taken will be used for publicity purposes.
- The organisers will take the audience and purpose into proper consideration when publishing any photographic material featuring young people from the School Games.
- Dress – Any young person featured in publicity will be wearing suitable dress. As some sporting activities have a higher risk for potential misuse of imagery than others, i.e. swimming and gymnastics, the photographs will focus on the activity.
- All images will be stored securely to ensure access is restricted to appropriate staff. This will help to prevent potentially inappropriate use of the collection.

For more information about how we manage photographic personal data, please refer to our Privacy Notice at http://www.wiltssport.org.uk/contact/our-policies/2426-privacy-notice.

WHAT SHOULD BE REPORTED?

In order to provide as much information as possible about the School Games and to ensure consistency across the multi-sport event, the following information outlines what should be reported from a welfare perspective.

Category A
Concerns to be reported may include:

- General concerns about a child/children’s welfare.
- Any event or circumstance related to a child protection/welfare incident including bullying, poor practice and prejudicial behaviour.
- Suspicions or allegations of: Misconduct/breach of code of conduct made against any member of staff, volunteer or against the School Games code of conduct.
- Abuse made against any member of staff or volunteer or other party on site.
- Misconduct/breach of code of conduct/abuse made against an athlete or young official.
- Abuse within a child’s family or community abuse made against an athlete or young official.

Category B
All accidents and incidents, no matter how trivial they might appear, should be reported. For example:

- Any injury to any part of a person’s body.
- Any case requiring medical or first aid treatment.
- Any event or circumstance, which is believed, could have resulted in bodily injury, illness, shock or other condition requiring immediate treatment.
- Any event or circumstance which resulted in, or in which it is believed could have resulted in, a person’s exposure to a substance hazardous to health.
- Any event or circumstance, which resulted in, or in which it is believed could have resulted in, damage to the site, equipment, vehicle or personal property.

All Team Managers/Welfare Co-ordinators must make a report if an injury, accident, incident or near miss occurs or if they have any concerns in line with the above. The Initial Issue/Concern Report Form (Appendix one) should be used for this purpose.

If the incident occurs at one of the competition venues, the venue staff will require some of the information on the Accident/Incident Report Form for their records.

All relevant forms are held at competition venues.

Those reporting should not contact the Police/Ambulance/Children’s Social Care directly (except in an emergency for accident or incidents) but contact or the Welfare Manager direct.
Recognise, Respond, Refer, Record

Throughout the School Games remember the 4 R’s:

**Recognise:** You have a concern, notice a problem or receive a direct disclosure

**Respond:** Reassure the individual; tell them what you will need to do

**Refer:** Make contact with the Welfare Manager

**Record:** Who, what, where, when – use the reporting form to record the information

Refer if any of the following is reported to you by anyone at the games:

- If a child/young person has been accidentally or otherwise hurt.
- If a child/young person seems distressed in any manner.
- If you receive a direct disclosure of alleged abuse from a child or young person.
- If you have any concerns at all even if they seem unclear.
- If a child/young person needs to be restrained.

Remember it is not your responsibility to decide whether or not a child has been abused. It is however everyone’s responsibility to report any concerns.

**Responding to a suspicion or allegation of inappropriate behaviour or misconduct**

If there is an allegation of abuse by a person in a position of trust within the Games and it meets the threshold for referral to the statutory agencies, this would be referred to and investigated by the local Police and the relevant Children’s Social Care Team. If, however, the allegation refers to an incident that has occurred within the community in which the child/young person lives at home the agencies in that locality will be contacted. The concerns would be referred to the local LADO.

If the disclosure is about an incident that occurred during the School Games then the following actions should take place:

- Listen to the individual with the concern as detailed above.
- Record and refer the information received in accordance with the Welfare Plan.
- Sign and date the record then pass it to the Welfare Manager.

**Missing Young People**

If an athlete or young volunteer is suspected of being missing the decision to call the Police will be taken by the Venue Manager in conjunction with the team manager once the necessary search of the area and any other relevant steps have been undertaken. Please refer to the Missing Young Person Form on the following page.
