5. **CONSENT**

At times, you may have a legal or contractual requirement or obligation to provide us with your personal information. If you do not provide us with the requested personal information, we may not be able to:

- Admit you as a member of our body
- Properly perform our contract with you
- Comply with legal obligations

We may also ask for your consent to hold or use your data for other reasons such as marketing and promotions. These will always be on an ‘opt-in’ basis, rather than an ‘opt-out’ basis.

Where you have given us your consent to use your personal information in a particular manner, you have the right to withdraw this consent at any time, which you may do by contacting us as described in the "Contacting us" section below.

Please note however that the withdrawal of your consent will not affect any previous use of your data and we may still be entitled to hold and process relevant personal information if we have a legal obligation to do so. Withdrawing consent may also have the same effects as not providing the information in the first place, for example we may no longer be able to provide certain benefits to you.

6. **DIRECT MARKETING**

From time to time, we may contact you by email, post or SMS with information about products and services we believe you may be interested in.

We will only send marketing messages to you in accordance with the marketing preferences you have set. You can then let us know at any time that you do not wish to receive marketing messages by contacting us (please see the “Contacting us” section at the end of this privacy notice). If you are a WASP or RightCoach member, you can also change your marketing preferences on your profile under the ‘account’ tab.

7. **DISCLOSURE OF YOUR PERSONAL INFORMATION**

We share personal information with the following parties:

- Any party approved by you
- Any governing bodies or regional bodies for relevant sports to allow them to properly administer the sports on a local, regional and national level

- External funding providers for the purposes of making an application for funding
- Our supply chain partners and sub-contractors such as course tutors
- Our partners and activity providers for the purposes of arranging any events or workshops you have registered your interest in, including (but not limited to) Sport England, Wiltshire Council, Swindon Borough Council, Create Development, Dame Kelly Holmes Trust, Age UK, Community First
- The Government or our regulators where we are required to do so by law or to assist with their investigations or initiatives, including (but not limited to) Sport England
- Police, law enforcement and security services to assist with the investigation and prevention of crime and the protection of national security

We do not disclose personal information to anyone else except as set out above.

8. **TRANSFERRING YOUR PERSONAL INFORMATION INTERNATIONALLY**

The personal information we collect is not transferred to and stored in countries outside of the UK and the European Union.

9. **HOW LONG DO WE KEEP PERSONAL INFORMATION FOR?**

The duration for which we retain your personal information will differ depending on the type of information and the reason why we collected it from you. However, in some cases personal information may be
retained on a long-term basis: for example, personal information that we need to retain for legal purposes will normally be retained in accordance with usual commercial practice and regulatory requirements. Generally, where there is no legal requirement we retain all physical and electronic records for a period of 5 years after your last contact with us. Exceptions to this rule are:

- Information that may be relevant to personal injury claims, discrimination claims may be retained until the limitation period for those types of claims has expired. For personal injury or discrimination claims this can be an extended period as the limitation period might not start to run until a long time after the event.
- Information that may be relevant to any of our projects may be retained for longer periods in order to allow us to assess the longer-term impact of our support for sports projects.
- Information relating to funding or financial transactions will be held for 7 years for auditing purposes.

It is important to ensure that the personal information we hold about you is accurate and up-to-date, and you should let us know if anything changes, for example if you change your phone number or email address. You may be able to update some of the personal information we hold about you through your online account. Alternatively, you can contact us by using the details set out in the “Contacting us” section below.

10. YOUR RIGHTS IN RELATION TO PERSONAL INFORMATION

You have the following rights in relation to your personal information:

- The right to be informed about how your personal information is being used
- The right to access the personal information we hold about you
- The right to request the correction of inaccurate personal information we hold about you
- The right to request the erasure of your personal information in certain limited circumstances
- The right to restrict processing of your personal information where certain requirements are met
- The right to object to the processing of your personal information
- The right to request that we transfer elements of your data either to you or another service provider
- The right to object to certain automated decision-making processes using your personal information

You should note that some of these rights, for example the right to require us to transfer your data to another service provider or the right to object to automated decision making, may not apply as they have specific requirements and exemptions which apply to them and they may not apply to personal information recorded and stored by us. For example, we do not use automated decision making in relation to your personal data. However, some have no conditions attached, so your right to withdraw consent or object to processing for direct marketing are absolute rights.

Whilst this privacy notice sets out a general summary of your legal rights in respect of personal information, this is a very complex area of law. More information about your legal rights can be found on the Information Commissioner’s website at https://ico.org.uk/for-the-public/.

To exercise any of the above rights, or if you have any questions relating to your rights, please contact us by using the details set out in the “Contacting us” section below.

If you are unhappy with the way we are using your personal information you can also complain to the UK Information Commissioner’s Office or your local data protection regulator. We are here to help and encourage you to contact us to resolve your complaint first.

11. CHANGES TO THIS NOTICE

We may update this privacy notice from time to time. When we change this notice in a material way, we will update the version date at the bottom of this page. For significant changes to this notice we will try to give you reasonable notice unless we are prevented from doing so. Where required by law we will seek your consent to changes in the way we use your personal information.
