Welcome to the December 2019 Edition of the Primary Sports Premium Newsletter

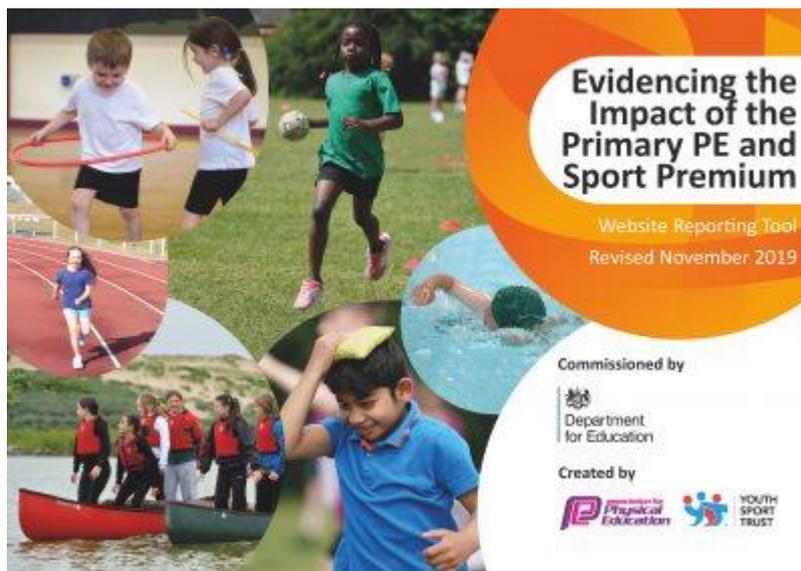

Introduction...

In this edition of the Primary Sports Premium newsletter, you will find information and relevant links to the following :

- [Primary PE and Sport Premium - Revised Reporting Template 2019/20](#)

- PE and Sport Premium - DfE Updates - November 2019
- Active Lives Survey and 'NEW' Healthy Schools Rating
- Fortius - Professional Learning for Teachers Opportunities
- Create Development and WASP - FREE workshops
- Get Set 4 PE - School Offers
- WASP Governors, Headteachers and PE Leads FREE presentations

PE and Sport Premium - Revised Reporting Template - 2019/20

Department for Education

It is important that your grant is used effectively and based on school need. The Education Inspection Framework (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'. Under the Quality of Education criteria (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the

outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents. Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer.

This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years .

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement.

This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium. We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by 31st July 2020 at the latest. We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact.

Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click [HERE](#).

Please click [HERE](#) to download a copy of the revised template for 2019/20

PE and Sport Premium for Primary Schools - November 2019 Updates

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government's ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental well-being (increasing self-esteem and emotional well-being and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behavior as well as enhancing academic achievement.

Department
for Education

The [School Sport and Activity Action Plan](#) set out government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day (in line with the [Chief Medical Officer guidelines](#) which recommend an average of at least 60 minutes per day across the week).

The PE and Sport Premium can help primary schools to achieve this aim, providing primary schools with £320m of government funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools so they have the flexibility to use it in the way that works best for their pupils. The [PE and Sport Premium survey](#) highlighted the significant impact which PE and Sport has had in many primary schools across England.

Ofsted's new [Inspection Framework](#), which came into effect from September 2019, gives greater recognition to schools' work to support the personal development of pupils, such as the opportunities they have to learn about eating healthily and maintaining an active lifestyle. Inspectors will expect to see schools delivering a broad, ambitious education, including opportunities to be active during the school day and through extra-curricular activities. Schools should consider how they use their PE and Sport Premium to support this.

Please find links below for the current terms, conditions and relevant information that local authorities, maintained schools and academies **must** follow and may find useful with regards to their allocation and spending of the premium for the 2019/20 academic year. Payment dates are listed and are slightly different for LA and maintained schools and academies.

Please note that the premium **must be used** to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2019 to 2020 academic year, to encourage the development of healthy, active lifestyles.

Full details are available to view by clicking [HERE](#)

Active Lives Survey and 'New' Healthy Schools Rating

Activity Levels are Worryingly Low for Young People

In December 2018, Sport England published the first [Active Lives Children and Young People report](#), which showed that more than a third of children/young people in England do **fewer** than 30 minutes of physical activity a day. They state that **not enough is being done**. Urgent change is needed if we're to increase the activity levels for future generations, and to influence positive health outcomes for the future.

Measuring Activity in Wiltshire and Swindon Schools

Sport England aims to survey 100,000 children and young people in Years 1 to 11 **each** academic year, of which 1800 are from Wiltshire and Swindon. The survey is school-based and covers measures of children's activity levels, physical literacy, swimming proficiency, well-being, self-efficacy and levels of social trust.

All schools will receive a **bespoke report** from Sport England about their pupils, and credits to exchange for sports equipment. One survey takes **15 minutes** to answer on-line, but the results will last for longer. They will influence local decision-making and inform government policy.

This year, a new **Healthy Schools Rating** can be achieved by schools. Completing the 15-minute teacher survey will generate a bronze, silver or gold award. Further information on the award can be found [HERE](#).

Schools are encouraged to take part in the survey, both to access the healthy schools rating scheme and to gain insight into how their pupils engage with sport and physical activity.

Schools that are selected to take part are contacted by their local [Active Partnership](#). Schools can also 'opt in' to take part in the survey and should contact their Active Partnership if they wish to do this. Click [HERE](#) for further information or if you would like your school to 'opt in'.

While not all schools will be asked to take part in the survey this academic year, we estimate that schools will be asked to take part every three or four years.

We've designed the survey to be as easy for schools to administer as possible. The survey can be done at any point in the relevant term, depending on what works best for the school involved.

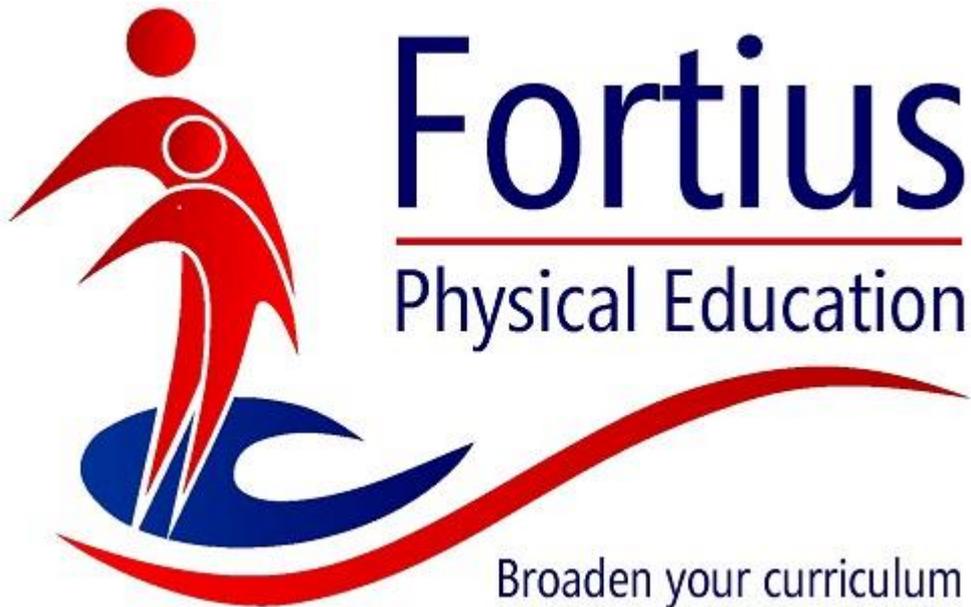

[Active Partnerships](#) will provide schools with everything they need, including templates for letters to parents, information sheets for teachers and pupils, and technical guidance.

For full details on the Active Lives Survey 2019 / 20 including which schools have been selected to take part, please click [HERE](#)

CPD Opportunities - Professional Learning for Teachers

School Swimming Teacher Training

Fortius are running 2 courses to develop school staff to deliver their school swimming lessons.

Teacher of School Swimming

Class teachers and other adults who have an established relationships with your pupils are the best placed to make school swimming lessons a success.

To be confident in delivering school swimming and water safety lessons that meet the national curriculum outcomes, they need support, training and resources. This will also ensure pupils receive the best quality swimming education.

The National Curriculum Training Programme for primary school teachers equips staff with the skills and knowledge to deliver high quality school swimming lessons to make sure your school not only meets but exceeds the national curriculum requirements.

A: 8th and 9th January 2020, Cricklade Leisure Centre

B: 30th and 31st January 2020, Springfield Community Campus, Corsham

Physical Education Course for NQTs and NQTs + 1/2

Tuesday 24th March

9am – 3.30pm

Venue – Swindon

Have you had limited training on how to deliver high quality physical education? Are you unsure where to start when teaching PE? Then this course is for you. We will cover the fundamental pedagogical principles of delivering PE including planning, class management, lesson organisation, differentiation and keeping your PE lesson active, FUN and challenging for all.

This course will involve theory and practical elements.

Cost £130 / £104 Fortius members

For further details on any of the offered courses, or to book a place, click [HERE](#) or call : **01793 239789**

Create Development / WASP - FREE workshops

Introduction...

Create Development and WASP are pleased to announce a series of four FREE workshops covering the following subject areas :

- Healthy competition in PE
- Delivering outstanding PE
- EYFS / KS1 - A thematic approach through PE
- Developing the whole child through PE

The workshops are taking place in various locations throughout Wiltshire during the early part of 2020. Please see details below for the first workshops with a link to book.

Healthy competition in PE

create
development

wiltshire and swindon sport
wasp

- Explore how competition can be used to develop key learning behaviours including perseverance and teamwork.
- Explore how every child can be appropriately challenged through personal best.

Wednesday
15th
January
2020

3.45pm
for coffee,
commencing
at 4 - 5.30pm

**Manor Fields Primary School,
Wilton Road, Salisbury SP2 7EJ**

To book your **FREE** place contact **Sarah Moon** at sm@createdevelopment.co.uk
or **Rik Grover** at rik@wiltssport.org.uk

Places are limited

Delivering outstanding PE

create
development

wiltshire and swindon sport
wasp

- Explore a range of strategies to enable children to lead their own learning in PE and how these could be applied to other curriculum areas.
- Find out the impact that 'HOW' we teach has on a child's experience and learning.

Wednesday
5th
February
2020

3.45pm
for coffee,
commencing

THE EDUCATION INSPECTION FRAMEWORK, 2019

What is the EIF and how does it affect you?

What is currently driving your PE curriculum?

What are you doing well and how can you ensure that your learner's needs are at the centre of your curriculum?

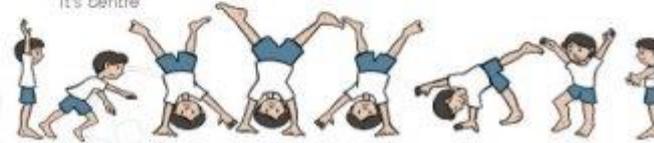

Ofsted have released their latest Education Inspection Framework that is set to look closely at the quality of education being delivered in schools. In particular the intent, implementation and impact behind a school's curriculum design.

CURRICULUM DESIGN WORKSHOP

Let us help you:

- Understand the new Ofsted Education Inspection Framework (EIF), 2019 and the purpose of it
- Reflect and review your current curriculum
- Share good practice and leave with a curriculum that has the child at it's centre

THE ONLINE PRIMARY PE RESOURCE

Written and designed by teachers for teachers.

www.getset4pe.co.uk

Contact us for a free trial trials@getset4pe.co.uk

Lesson plans and SoW
High quality, simple and easy to use across a broad range of activities.

Resource Bank
Videos, music, Independent learning cards, active lunchtimes and a PE leads area.

Curriculum Map
Use this tool to map out your activities for the year.

Assessment
Track your pupils' attainment and record their progress with the user-friendly assessment tool.

KEY BENEFITS

- Simple and easy to use
- Everything you need for PE in one place
- Significant timesaving on planning
- Increased confidence in delivery
- Clear and simple assessment procedures

Governors / Heads presentation on the Primary Sports Premium

wiltshire and swindon sport

Wiltshire and Swindon Sport's Primary PE and Sport Premium Lead Officer Rik Grover can offer two separate PowerPoint presentations offering guidance and support on the primary sports premium.

The first presentation is designed for Head teachers, PLT's and school staff, whilst the second is intended for School Governors. Both presentations are approximately 20 minutes in duration and give an overview of the local and national picture of the Primary Sports Premium, plus relevant information depending on the presentation audience. A guidebook accompanies the Governors presentation. These presentations are FREE of charge.

“DID
WE
MENTION
IT'S
FREE!”

Does PE matter in your school

There has never been a more important time for PE in primary schools.

Recent research finds that half of all seven-year olds do not get enough exercise, only 38 per cent of girls at that age take part in the recommended hour of moderate or vigorous exercise a day and one in three young people leave primary school overweight. These statistics show how important high-quality PE and sport is in tackling the growing levels of inactivity amongst primary age children in the UK.

If young people enjoy taking part in physical activity early on in life they will go on to lead active healthy lifestyles, but if they have a bad experience, particularly at school, they could be put off for life. Physical activity is associated with numerous health benefits for children, such as muscle and bone strength, health and fitness, improved quality of sleep and maintenance of a healthy weight. There is also evidence that physical activity and participating in organised sports and after school clubs is linked to improved academic performance.

If you would like Rik to come to your school to deliver the presentation, or if you require advise or support with any aspects of the PSP , please contact him on 01225 781500 or via email [HERE](#)

Thank you from all of us at Wiltshire and Swindon Sport. See you in 2020
