

Gymnastics Festival - Organised by Avon Valley Sports Partnership

The Avon Valley Sports Partnership Gymnastics festival took place at The Vault in Amesbury. The day was split in to two. Both sessions started with a group warm up led by year 10 Avon Valley College students Lakeshia and Jess. The schools then got to rotate around different stations while waiting to perform their routine for the competition. The stations were led by Avon Valley College gymnasts and Carly, a coach from The Vault. The stations were tumble track, vault, trampette, ribbons and balls, beam, cheerleading and balances.

The morning session was judged by Maria from The Vault and Year 10 Avon Valley College students Molly and Sydney, and the afternoon was judged by Maria, Lakeshia and Jess. Teams of 6 performed a set floor routine with the top 4 scores counting towards the team award.
