

## School Games Centre Parcs National County Badminton Competition

The snow arrived overnight but did not stop anyone getting to Tidworth Leisure Centre who kindly hosted the event. A fantastic effort from everyone meant we were still able to complete on time.

There were 85 players from 10 different schools with 19 Young Volunteers helping to make the day possible by officiating the games.

The play was of a good standard across the board and we saw some terrific matches.

### **Boys years 7,8 & 9 - KS3**
