

School Games Level 3 County Boys Basketball Competition held at St John's School

The 2015 School Games level 3 Boys Basketball competition was kindly hosted by St John's School Marlborough.

This year saw 5 schools qualify with 52 athletes taking part. The competition was very even and each match was hard fought until the end with several 'Golden Goals' to decide the winners.

There were 4 young volunteers from St John's who were running the scoring table and helping organise the competition. Events like this cannot run without the young volunteers support and them giving up their time to help at the event.

The official referees enabled the competition run smoothly and made sure the boys enthusiasm did not spill over, so making the games tense but exciting and fun for all involved. There was a really good atmosphere amongst the school showing great teamwork and passion for the sport.

Results:

1st - Bradon Forest

2nd – Bishop Wordsworth

3rd – St Augustines

4th – St John's

5th – Sheldon
